This perhaps requires clarification. The

send a report whether the area in which
the bit of land is proposed to be given
belongs to the Corporation, how it came
to their possession and what action would be
taken to remove the existing fence.

Subject Grant of land for the construction of Tamil
~~Ram~~ Primary School in Kalasipalyam Layout

100' x 134'
In enclosing herewith a copy of the resolution of the Corporation passed at their meeting held on 28-4-1955 that the land measuring 100' x 34' including the public latrine in the New Kalasipalyam area facing the Tank Bund Road be granted to the Education Department for constructing the Tamil Primary School in lieu of the land measuring 200' x 200' originally granted, but could not be given as it falls in a private holding, I request you kindly to obtain sanction of the Government to the resolution of the Corporation

It may be stated in this connection, that on the request of the Education Department, the erst-while Bangalore City Municipality recommended grant of land measuring 200' x 200' in Kalasipalyam area for constructing a building to locate Tamil Primary School. The Government in their order No L 10256-8/M 107-48-28 dated 15-3-1949 sanctioned the land free of cost, as recommended by the erst-while Bangalore City Municipality. But possession of the site was not handed over as the land falls in a private building. As such, the land measuring 100' x 134' including the public latrine in the new Kalasipalyam area facing the Tank Bund Road (as per sketch enclosed) has been selected and recommended for the purpose, as per the resolution of the Corporation dated 28-4-1955. The Education Department is also agreeable to take the land as resolved by the Corporation.

Under the circumstances stated above, I request
that early sanction of Government may kindly be obtained
to the resolution of the Corporation
